

CHIEFS REPORT

01/14/10

Tonight Kenneth Szych and Joshua Racz our two newest members at Station 1 are here to be sworn in. Both individuals have successfully passed there physicals.

I have one person to recommend for hiring as a volunteer firefighter/emt for Station 3. Jonathan Greulich from Superior Street in Genoa has passed his background checks and was interviewed by Station 3 and Chief Miller has recommended that we hire Johnathan with the stipulation that he passes his physical exam. Johnathan comes with firefighting experience as a volunteer in Woodville.

Our Awards Banquet will be Saturday February 20, 2010 at Station 3. Invitations have gone out and the awards are being gathered. I would like permission to hire Michaels Catering to cater the dinner at a cost not to exceed \$3,693.75. I would also like to purchase special gifts for our members at a cost not to exceed \$1400.00. This will be our first awards dinner as a district as this is our 10th Anniversary. Our people are very important to us and we need to recognize these individuals for their service.

I would like to set a date for a planning meeting tonight with the Board.

I, Chief Hartman and Battalion Chief Miller will be meeting January 19, 2010 to start discussing a new truck for Station 3.

Last year our total number of responses was 1010. I will have a more detailed report next month.

Respectfully submitted,
